The theme for the 2020 trainings is “This Year and Beyond” language that comes from the AmeriCorps pledge. Through this theme we would like to recognize the accomplishments of the past 25 years of AmeriCorps while looking forward to the next 25.

## Event Outcomes

2. Walk away with solutions to problems they face.
3. Walk away with new resources.
4. Have a plan for specific improvements in grants, fiscal, performance, and/or program management.
5. Leave with a renewed spirit and strategies to sustain that spirit.

## Session Formats

In response to feedback from the field, the session format we are looking to have presenters propose learning opportunities around is:

- 90 – minute Presentation Sessions

### **Who should submit a proposal for this session?**

Presenters who are comfortable and skilled at working with 30-75 participants should submit a proposal for a Presentation Session. Presentation Sessions should 1) present information and 2) build specific skills by giving the participants an opportunity to practice the concepts presented.

## What will presenters need to do?

## When and How will I know if I have been selected?

Presenters will be notified by email at least 8 weeks prior to the particular regional event that they have been selected for a particular event. Once you are confirmed, you may move forward with booking travel, registration, etc. You will be required to submit presentation materials for posting 2 weeks in advance of the event. Please note - if you have already registered for the event prior to being selected, you will not be reimbursed for any waived/reduced registration fees.

## If I am selected, what are the next steps?

- Presenters will be instructed on how to register for the event. Additional information about online registration, travel, lodging reservations, etc. will be provided via email to the lead presenter.

- All presenters must submit **electronic copies of final handouts, power points, and other training materials** at least two weeks prior to each event.
- Presenters will **prepare and supply their own handouts** for distribution at the sessions, unless otherwise specified by the event organizers.
- All conference-related information will be emailed to the **lead presenter**, who is responsible for sharing with the co-presenters.

## What are the event costs?

For individuals who present, the registration may be waived/reduced. If you have multiple presenters per session, it is not guaranteed each presenter will receive the reduced registration, as that will be budget dependent. Details regarding registration fees for presenters will be provided at the time of selection.

Unless other arrangements have been negotiated, presenters are responsible for all expenses related to participation in one or more of the Regional Events including, but not limited to travel, lodging, and meal expenses as well as the costs of handouts and other materials used in the sessions (unless otherwise informed by each region).

If you are proposing sessions as an **outside presenter** who has expertise in specific topics that peers are unable to present, your **proposal must include the costs you require for preparation, delivery, and expenses** such as travel, lodging, etc. Expense estimates will have to be made based on the event location and federal per diem rates until more specifics are provided about each event and hotel location. ***Presenters may offer their fee and/or travel expenses as an in-kind sponsorship***, which will be acknowledged at the Community Builder sponsor level, which includes:

- Recognition on select event materials.
- Sponsorship name listed in the conference program (distributed to all conference attendees).
- Quarter-page ad in the conference program which will be distributed to all conference attendees.
- Opportunity to put literature in attendee registration bags.
- Tabletop exhibit space.
- Free registration for one (1) attendee per event.

For more sponsorship information visit [www.nationalservicetraining.org](http://www.nationalservicetraining.org).

When submitting your proposal, you will be asked to select one of the following options:

- I (we) am (are) a peer working in the national service field and as such will attend one of the regional training events. As a peer presenter, if selected I understand that in exchange for my presentation(s) my registration fee may be reduced, but **no presenter fee or related travel**

**costs will be covered.** I will be responsible for all expenses related to travel and will not be paid any expenses for preparation and delivery.

- I am an outside presenter that would like to present and/or speak at one or more of the regional events and if selected, costs for fees and expenses will be negotiated based on costs submitted in this proposal.
- I am an outside presenter that would like to present and/or speak at one or more of the regional events and offer my services in exchange for event sponsorship.

**Peer presenters** are AmeriCorps, state service commission, and others that would otherwise already be attending the event in their specific region. Peer presenters will be offered a discounted registration from the standard rate.

**Outside presenters** are trainers and consultants that are requesting all or a portion of their speaker fee and/or travel expenses in order to present. Outside presenters that request travel reimbursement, must adhere to the ASC travel reimbursement policy and submit timely reimbursement requests in order to receive reimbursement, including staying at the event's group block lodging option. Presenters will only be reimbursed for travel expenses related to the days they are required to be present at the events.

As part of your proposal outside presenters should clearly articulate their fee(s), estimated airfare or mileage, and any other expenses requested. **Do not include your lodging and meal expenses in your estimate, as we will include this information in our own calculations.**

If you are providing a discount and/or waiving all or a portion of your fees or travel, please note this information for sponsorship consideration.

All training rooms will have basic Audio/Visual including a screen, LCD projector, and a laptop computer. If needed, presenters may request flipcharts and markers and computer speakers for their rooms. Failure to request these in advance will mean they will NOT be provided. Microphones will only be provided based on the venue recommendation for microphones in breakout rooms. Room setup will be determined based on the ability to maximize the number of participants able to attend each workshop.
