AMERICORPS PROGRAMS

BENEFITS OF JOINING ASC

AmeriCorps programs nationwide are becoming members of America's Service Commissions (ASC) for the following benefits:

- Annual AmeriCorps Program Management Series (presented live by experts; recordings available)
- Eligibility to enroll in the AmeriCorps Member Assistance Program (MAP), providing 24/7 mental health support and counseling for members and program staff
- Quarterly professional development webinars relevant to managing AmeriCorps and national service programs, such as member retention strategies
- Access to ASC Service Job Board
- Access to ASC online peer community
- Representation on public policy issues to Congress and other key stakeholders
- Timely updates regarding federal AmeriCorps funding, emerging legislation, upcoming events, and new trends and initiatives in national service
- Opportunity to nominate members and staff for recognition at the ASC Innovation & Leadership Awards (held annually in September)

Access all of these benefits for \$350/year for AmeriCorps and national service programs!
